

HARVARD UNIVERSITY
The Graduate School of Arts and Sciences
OFFICE OF ADMISSIONS AND FINANCIAL AID

January 25, 2023

Alan Yan
alanyan@princeton.edu

Dear Alan,

Congratulations! I am delighted to inform you that the Program in Mathematics has recommended to the Graduate School of Arts and Sciences (GSAS) at Harvard University that you be invited to enroll in August 2023 for a course of study and research leading to the Doctor of Philosophy degree, and I am pleased to act on that recommendation.

If you have any questions about the Program in Mathematics please do not hesitate to be in touch with the program. If you have questions about financial aid or admissions, you may contact Emily Fingerle, who is your admissions and financial aid officer. Our [Guide for Admitted Students](#) welcomes you to the GSAS community and introduces you to the many resources available to you as a GSAS student.

To respond to the offer of admission, please visit the [GSAS Applicant Portal](#) as soon as possible, but no later than April 15, 2023. Please note that this offer of admission is contingent upon your satisfying the GSAS Terms and Conditions of Acceptance, which you will find in the forms section of the GSAS Applicant Portal.

If you choose to accept our offer, you will be prioritized for a room in one of our [residence halls](#) if you apply by May 1, 2023.

I very much hope that you will accept our offer to come to Harvard. We look forward to welcoming you to GSAS next August.

With best wishes,

Allen Aloise
Interim Dean for Admissions and Financial Aid
